

2026 Community of Practice

The Nebraska Center on Reflective Practice (NCRP) has a unique lineup of sessions for our 2026 Community of Practice (CoP). These opportunities are exclusively for FAN graduates.

All sessions are free to attend and are designed to refine and strengthen your FAN skills while you network and connect with other FAN-trained professionals.

- **FAN Refresher**

- Feb. 12 or Aug. 25

The **FAN Refresher** is an opportunity to review the core concepts of the FAN and become mindful of how we can use it and apply it to our work.

- **FAN Forum**

- Apr. 8 or Oct. 29

The **FAN Forum** is an opportunity for you to discuss your personal FAN journey and learn from other FAN graduates in small groups.

- **Group FAN**

- Sep. 9

The **Group FAN** session will provide the opportunity to self-reflect on your presence as a facilitator and explore related group concepts, including reflection, attunement, and repair.
